# StatFest 2018

## A One-Day Conference for Undergraduate Students

Learn about statistics and data science careers in industry, government, and academia.

Underrepresented students (African American, Hispanic, Native Americans) with analytical interests are particularly encouraged to attend and learn about exciting career and graduate study opportunities in statistics and data science.

There are ample opportunities to network during breaks and the poster session.

**Amherst College** is one of the most diverse liberal arts colleges in the country. We are dedicated to the centrality of inclusiveness.
